

Just an idea...

A birthday treat to support the library.

On your birthday treat your class to a book instead of cake or sweets.
Perhaps your favourite book which you always read before going to sleep or a
completely new one which surprises everyone.
Eventually the book will be kept in the library and will be available for lending to
other children.

The class teacher will provide you with a list of appropriate titles.
The library catalogue will be published on the school web site so everyone can check
if the library possess a certain book.

In this way the library is supported by all of you.
Thank you in advance for your cooperation.

The library team
